

SUMMARY: This notice is to advise the public that the Bureau of Land Management (BLM) plans to adopt the Final Environmental Impact Statement (FEIS) addressing oil and gas leasing for lands within Duchesne and Wasatch Counties, Utah, upon the Ashley and Uinta National Forests and of the availability of the BLM's Record of Decision (ROD).

DATES: The public has 30 days from the date of this notice to appeal this decision in accordance with the instructions provided in this Notice.

SUPPLEMENTARY INFORMATION: In accordance with section 102 of the National Environmental Policy Act of 1969 (NEPA), a Final Environmental Impact Statement (FEIS) addressing oil and gas leasing for lands within Duchesne and Wasatch Counties upon the Ashley and Uinta National Forests has been prepared by the U.S. Forest Service (USFS) and BLM. National and local agreements between the two agencies identified the USFS as the lead agency for preparing the analysis with BLM participating as a cooperating agency as described in 40 CFR 1501.6.

The FEIS addresses the potential impacts of leasing on lands within the Ashley and Uinta National Forests and identifies which areas are available for leasing and any stipulations that will be attached to leases. The two Forest Service Plans have been amended to be consistent with the decisions reached in the ROD. The Mineral Leasing Act on 1920, as amended, provides the Secretary of the Interior the authority to issue oil and gas leases on lands where the oil and gas rights are held by the Federal Government. This authority has been delegated to the BLM. The Federal Onshore Oil and Gas Leasing Reform Act of 1987 requires BLM to obtain the consent of the Secretary of Agriculture before issuing oil and gas leases on National Forest System lands. Authority to consent has been delegated to Forest Supervisors.

In accordance with 40 CFR 1506.3(c), BLM is adopting the FEIS for the purpose of issuing oil and gas leases within Duchesne and Wasatch Counties of the Ashley and Uinta National Forests. BLM actively participated in the preparation of the Draft and Final EIS's and independently reviewed each document. Department of the Interior, as well as public comments and concerns, have been satisfactorily addressed in the FEIS. The FEIS complies with NEPA and meets the requirements of the regulations for implementing the Federal Land Policy and Management Act of 1976 (43 CFR part 1600). BLM's preferred alternative is Alternative 3 as

described in the FEIS (the USFS preferred alternative).

Copies of the FEIS are available from the Ashley National Forest, 355 North Vernal Avenue, Vernal, Utah, 84078, and Uinta National Forest, 100 West 88 North, Provo, Utah, 84601. Public reading copies are available at the following BLM locations: Utah State Office, 324 South State Street, Salt Lake City, Utah 84111, and Vernal District Office, 170 South 500 East, Vernal, Utah, 84078.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations in 43 CFR part 4. The Appellant has the burden of showing the decision appealed from is in error. If you wish to file a petition for a stay of the effectiveness of this decision during the time your appeal is being reviewed by the Board, the petition for stay must accompany your notice of appeal. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.
